

INSTITUT ZA JAVNO ZDRAVLJE CRNE GORE

ZDRAVSTVENO UPOZORENJE

Za putnike koji dolaze iz zemalja u kojima su potvrđeni slučajevi obolijevanja od infekcije izazvane novim koronavirusom (COVID-19)

Radi sprječavanja unošenja zarazne bolesti COVID-19 u Crnu Goru, suzbijanja i sprječavanja prenošenja u druge zemlje, zaštite stanovništva od novog koronavirusa, kao i radi zaštite Vašeg zdravlja, DUŽNI STE DA preduzmete sljedeće mjere:

- ako osjetite simptome infekcije organa za disanje (povišena temperatura, kijavica, kašalj, curenje iz nosa, otežano disanje ili drugo):
 - pojačajte higijenu ruku (pranje toplotom vodom i sapunom);
 - izbjegavajte kontakte sa drugim osobama;
 - koristite maramicu kada kijate ili kašljete;
 - pozovite telefonom epidemiološku službu nadležnu za područje u kome boravite (lista je data na kraju teksta). Od epidemiologa ćete dobiti uputstva o daljem postupku. Molimo vas da u potpunosti postupate u skladu sa dobijenim uputstvima.

Napomena: Na snazi je obaveza nošenja zaštitne maske na licu koja pokriva nos i usta, u zatvorenom i otvorenom prostoru, uključujući i djecu stariju od pet godina.

HEALTH WARNING

For travellers arriving from countries with registered cases of respiratory infections caused by novel corona virus (COVID-19)

In order to prevent the introduction of the infectious disease COVID-19 into Montenegro, to suppress and prevent the spread to other countries, to protect the population from the novel coronavirus, as well as to protect your health, it is REQUIRED to take the following measures:

- if you notice symptoms of a respiratory infection (fever, sneezing, cough, runny nose, difficult breathing or other):
 - increase hand hygiene (wash your hands with warm water and soap frequently);
 - avoid contacts with other persons;
 - use a tissue when sneezing or coughing;
 - make a phone call to responsible epidemiological service responsible for the territory of your residence (the list is provided at the end of this document). The epidemiologist will give you instructions for further procedures. We kindly ask you to follow these instructions completely.

Note: Obligation of wearing protective face masks covering nose and mouth, in closed and open space, including children older than five years is in force.
